

2018 BRYANT STILES OFFICERS SCHOOL

Green River Firefighters Association

February 23 – 25, 2018

Owensboro Convention Center - Owensboro, KY

12. HazMat IQ: Above the Line, Below the Line

The Line system is developed by responders, for responders and only available from HazMatIQ. The HazMatIQ system incorporates trademarked innovative street smart “Cheat Sheets” that enable responders to safely and efficiently respond to any known or unknown chemical or mixture. Students taking this course will be able to size-up (physical state, hazards, initial hot zone, correct meters and PPE) any chemical in minutes. The system then coaches responders through a streamlined chemical research method to verify their initial size-up, preparing responders to immediately go to work when they arrive on a Hazardous Materials/WMD event.

This class will be offered Saturday and repeated on Sunday.

Instructors will be nationally recognized and graciously provided through contract by Kentucky Emergency Management.

We appreciate the continued support of KYEM.

For further information about the 2018 Bryant Stiles Officers School contact the Area 3 Training Center (888) 306-8015 or GRFA@att.net
