

## 2018 BRYANT STILES OFFICERS SCHOOL

Green River Firefighters Association

February 22 – 24, 2018

Owensboro Convention Center - Owensboro, KY

### 6. Sizzle Factor for Fire Instruction

We know that today's learners, especially our next generation of volunteer and career firefighters, learn differently than our more veteran firefighters. The change in multi-tasking, curiosity, and other interests warrant us in education (which the Fire Service is deeply seeded) to develop new teaching methods and strategies to optimize the shared knowledge. This class will qualify as a required methodology class for Kentucky Instructor recertification. The instructor will be in touch with each student via email prior to the beginning of this class to request the student complete a brief assignment to bring with them to class. This will be a fast-paced and exciting learning environment. The class is limited to the first 40 students each session.

**This class will be offered Friday morning and repeated Friday afternoon.**

**Kevin D. Quinn** joined the fire service in 1976. He currently serves as Chairman of the National Volunteer Fire Council. He recently retired as a Deputy Chief of the Union Fire District in South Kingstown, RI, and has returned to where he began in the volunteer fire service – actively responding to fires and alarms with his original Station #3 of the Union Fire District. Kevin is a past-President of the Rhode Island State Firemen's League, Rhode Island State Advocate of the National Fallen Firefighters Foundation's Everyone Goes Home-Courage to Be Safe Program, member of the Foundation's Rhode Island Local Assistance State Team, member of the Hope Valley HazMat team, and member of numerous federal, state, and local exercise design management teams. He served on the NVFC Board of Directors for over 30 years as Alternate Director for Rhode Island and now continues as Director and Chairman. Kevin holds a Master of Science in Counseling and Educational Psychology and a Master of Science in Education.
