

2020 BRYANT STILES OFFICERS SCHOOL

Green River Firefighters Association

February 21 – 23, 2020

Owensboro Convention Center - Owensboro, KY

8. Anatomy of A Mayday

Upon receipt of a crew reporting entrapment of imminent threat, the IC must make rapid, accurate decisions to ensure optimal resource utilization and a positive outcome. This 4-hour program will cover the many aspects of preparing for, reacting to and Recovering from a mayday event. Based on case studies, guidelines, and examples of standard operating procedures, this Presentation will be fast-paced and challenging for the seasoned commander as well as those wishing to expand their skillset to ensure firefighter safety and survival.

This class will only be offered Friday Morning

Frank Montes de Oca is the former Emergency Services Director for Orange County, North Carolina and previously served as the Fire Chief and Emergency Services Director for Osceola County, Florida, providing leadership for an all-hazard fire and emergency services department protecting 1,500 square miles from 16 stations. He retired from the Orange County Fire Rescue Division in Orlando, Florida with assignments as the Chief of EMS, Bureau Commander for Safety and Training, and a senior field command officer of a department protecting 1,000 square miles from 30 stations. Following his retirement, Chief Montes de Oca served as the Fire Chief in Springfield, Ohio. He is a Florida Level III Instructor, an adjunct instructor for the National Fire Academy and several colleges and academies throughout the southeast. His focus is firefighter safety and survival, incident command, risk management, crisis mitigation, and leadership development.
