115 Junior Firefighter

Learn from the Past and Prepare for the Future! Join fellow junior firefighters from around the state for a weekend of networking and education! Build your skills in a mix of basic and advanced classroom and hands on training while participating in a “can-do” atmosphere. This course is designed to teach the students team building, communication and leadership while honing the skills necessary to operate in today's fire service. Participants will be physically challenged at times and should be prepared to perform hands-on skills in full PPE. This class is open to junior firefighters ages **15-17** who are part of a departmental junior program recognized by the Kentucky Fire Commission.

PRE-REQUISITES/EQUIPMENT NEEDED

Full PPE including SCBA and a spare cylinder. Every Junior Firefighter must bring their required Training and Emergency Contact Form signed by the Fire Chief of their department.

This 3-day course will be offered Friday-Sunday.

Lead Instructor: Ashley McWaters, State Fire Rescue Training District 5
