

14. Kentucky: Fire Inspector II

Prerequisite for this class is Fire Inspector I, verified by a copy of your Fire Inspector I certificate, and 6 months in the performance of inspections verified by your chief or supervisor.

This class is the second step in the Fire Marshal's revised Fire Inspector program. This class is designed for the fire inspectors and building code officials that deal with life safety issues on a daily basis. The students will get detailed instruction on specific occupancy requirements, occupant load calculations and seating arrangements. This class will consist of instruction followed by an exam. Certificates are issued upon passing the test. Course Objectives: Attendees will be instructed in the performance of, and requirements for, complex fire inspections and code recognition; and will gain knowledge in occupant load calculation and seating arrangement in places of assembly, fair and exposition centers, and special events.
