

38. Leadership In Supervision: Frameworks To Success (F0648)

This 2-day course provides the supervisor with the knowledge and skills to perform successfully in the fire and emergency medical services (EMS) environments. The course will address professionalism, resilience, emotional intelligence and situational awareness, as well as managing conflict, delegating mentoring, coaching, empowering, and building collaboration and synergy for professional growth.

Instructor

Janie Gunnell has been a fire instructor for numerous years and contract instructor for the National Fire Academy for over 10 years. She is retired from Nassau County (FL) and the Florida State Fire College. She was President/Chief of Jacksonville Emergency Medical Auxiliary with Jacksonville Fire/Rescue. She has degrees in Business Administration and Fire Science Administration. She has been a career paramedic and Quality Assurance Officer. She was also a Public Information Officer for both Fire and Emergency Management departments. She has served on the Command Staff during multiple EOC activations. She was a district leader for the Florida PIO Deployment team. She has been a speaker and instructor at the Florida Governors Hurricane Conference and the Florida Fire Chiefs Conference to name a few. She was on the curriculum design team and the instructional team for a two-day FEMA class, Crisis Leadership for Local Officials, which was taught in 40 states.
