

## HSEEP TRAILER

### LOCATION

Area 3 Training Center  
Calhoun, KY

### SPECIFICATIONS:

Length	24'
Width	8'
Height	8 ½'
Weight	N/A

### OBJECTIVES

Transporting supplies and materials to a training location

### CAPABILITIES

This trailer is a 24' box trailer. There is a counter top with cabinetry underneath in the front of the trailer. The rear door is a full-width ramp door capable of supporting the John Deere Gator when loading or unloading. There are tie down hooks mounted in the floor and some on the walls. The trailer is a bumper style, tag-along trailer with a 2 5/16" ball hitch.
