Weight	8,440 lbs

OBJECTIVES:

Promote Home and Fire Safety education through a self guided display area.

CAPABILITIES:

The Traveling Safety Adventure has 9 display areas built within the trailer. Each area carries a unique message promoting safety and readiness in a certain area. The current display booths consist of:

- fire extinguishers
- E.D.I.T.H. (exit drills in the home)
- Smoke alarms & CO detectors
- Personal Protective Equipment
- Emergency ready kits
- Weather emergencies
- Farm Safety and Farm Emergencies
- Green River Firefighters Association

This trailer is available to display at public events such as safety day camps, county fairs, social gatherings and other public venues where safety could be a topic. The trailer is a tag-along trailer and has a ramp door on the side and the rear to allow for access by the physically challenged individuals.

The trailer requires a 110 volt power source to operate.
