501 Emergency Operations Center/Incident Command System Interface (G191)

This course reviews Incident Command System (ICS) and Emergency Operations Center (EOC) responsibilities and functions and depends heavily on exercises and group discussions to formulate the interface. The course provides an opportunity for participants to begin developing an interface between an Incident Management Team and EOC personnel.

This 1-day course will be offered Thursday.

Co-Instructor: Todd Schulkers, State Fire Rescue Training District 7
Co-Instructor: Greg Buckler, Campbell County Office of Emergency Management
