502 Kentucky Urban Search and Rescue Fundamentals

This course provides a foundational understanding of the Kentucky Urban Search and Rescue (US&R) system, tailored for emergency responders and support personnel. Participants will explore the essential components of US&R operations, focusing on: 1. Kentucky US&R System Overview: An introduction to the structure, roles, and responsibilities within the state's US&R framework. 2. Developing Mission Ready Packages (MRPs): Training in creating and implementing MRPs, ensuring teams are adequately prepared for diverse emergency scenarios. 3. Local and Regional Team Integration: Strategies for effective collaboration among local and regional teams, emphasizing communication and resource sharing during disaster response. 4. Future of Disaster Response in the Commonwealth: Insights into emerging trends, technologies, and strategies shaping the future of emergency response in Kentucky.

This 1-day course will be offered Thursday.
