19. Fire Inspector II

Instructor: Tim Juett

This class is the second step in the Fire Marshal's revised Fire Inspector program. This class is designed for the fire inspectors and building code officials that deal with life safety issues daily basis. The students will get detailed instruction on specific occupancy requirements, occupant load calculations and seating arrangements. This class will consist of instruction followed by an exam. Certificates are issued upon passing the test. Course Objectives: Attendees will be instructed in the performance of, and requirements for complex fire inspections and code recognition; and will gain knowledge in occupant load calculation and seating arrangement in places of assembly, fair and exposition centers, and special events.

Prerequisite for this class is Fire Inspector I, verified by a copy of your Fire Inspector I certificate, and 6 months in the performance of inspections verified by your chief or supervisor.

About the Instructor:

Tim Juett served in the US NAVY for 4 years and served during Desert Storm. He retired from Georgetown Fire Department serving 13 years as a firefighter and the last 7 years as an inspector. He has worked for the State Fire Marshal's office as an inspector and Supervisor for the last 13 years. Tim likes the outdoors and spending time with friends and family. He is a familiar face around the Commonwealth to fire inspectors as he travels teaching the Fire Inspector I and Fire Inspector II classes at fire departments and fire schools.
