44. NFA – Fire Investigation: Fire as a Weapon (F0756)

Instructor: TBD

This course was developed to aid first responders in understanding and recognizing how fire can be used as a weapon against people and/or property. This course should also help first responders and investigators understand why a person would choose to use fire as a weapon, as well as creating awareness of the types of information fire investigators may need from fire and emergency services personnel.

Students should have completed ICS 100 and ICS 200 prior to this class.
Students should have their FEMA Student ID Number (SID) PRIOR to arrival to the school.
