

HSTEP Trailer

(HOMELAND SECURITY TRAINING & EXERCISE PROGRAM)

LOCATION:

Area 3 Training Center
Calhoun, KY

SPECIFICATIONS:

Length	36'
Width	8 ½'
Height	9'
Weight	10,440 lbs

OBJECTIVES:

The HSTEP trailer carries supplies and materials to support functions such as:

- 1) exercises
- 2) training venues such as fire schools and conferences

CAPABILITIES:

The HSTEP trailer is designed to travel to event requiring logistical support. The trailer generally carries flipcharts, computers, projection units, screens, office supplies, printers, fax machines, phone system, portable radios, sound systems, computer network system, microphones and lapel mics. The trailer is housed in Calhoun at the Area 3 Training Center where the temperature sensitive elements are stored inside (out of the elements).

This trailer is one of the most traveled trailers in the fleet as it is utilized at all of the major exercises and all of the larger fire schools & conferences training emergency responders.
