Training Announcement

What: ICS and Resource Management for the Fire Service (F0376)

When: September 24 & 25, 2026

Where: Hopkinsville Fire Department Training Center
101 Walton Way, Hopkinsville, KY 42240

Instructor: NFA Instructor TBD

Cost: There is no charge for this training

Course Description:

This 2-day course will provide students with an understanding of the Incident Command System (ICS) and resource management for the fire service and their application in both emergency and nonemergency situations.

This course addresses the need for an ICS, an overview of the structure and flexibility of ICS, an understanding of the command skills necessary to function effectively in an ICS structure, and the need to effectively manage your resources.

This course meets the requirements of ICS-100 and ICS-200.

Who should attend: All first responders with responsibilities to use, deploy, implement and/or function within ICS and resource management.

Students should preregister by link or QR code found below:
